

DISCOVER2015

A TECHNOLOGY + EDUCATION EVENT FROM MAZAK

Don't miss the manufacturing event of the year.

October 27-29 & November 3-5

Mazak North American Manufacturing Headquarters | Florence, Kentucky

WHY ATTEND?

Time is money in today's competitive manufacturing world, which can make it difficult to justify taking time away from your shop. But when it comes to DISCOVER 2015, it's truly an experience you can't afford to miss. Here are the top reasons why:

- **EXPERIENCE NEW TECHNOLOGY.** Watch more than 25 advanced machines tools perform real- world cutting demonstrations, and see first-hand which one will give you a competitive edge.
- **ACCESS HIGH-VALUE MANUFACTURING CURRICULUM.** Various interactive learning opportunities will teach you everything you need to know about improving your production efforts.
- **CONNECT WITH KEY INFLUENCERS.** As the largest private manufacturing event in North America this year, you'll have access to the best and brightest in metalworking under one roof.
- **GET AN IMMEDIATE RETURN ON INVESTMENT.** Go back to your shop having complete knowledge of the latest metalworking tools and techniques for improved productivity and profitability.
- **LEVERAGE THE EXPERIENCE OF OTHERS.** Network with peers in your industry, discuss new ideas with applications engineers and attend technical seminars presented by industry experts.
- **EXPLORE CONTINUOUS IMPROVEMENT EFFORTS.** Not only will you witness the enhancements we've made to our equipment, you'll see how we've improved upon our factory operations.
- **FIND SOLUTIONS TO SPECIFIC CHALLENGES.** Meet one-on-one with industry experts to learn what strategies and/or technologies will optimize your unique part-processing operations.
- **MEET NEW PEOPLE.** You could walk away from this event with a referral or partnership opportunity that just might boost your shop's bottom line.
- **BE IN THE KNOW.** You'll be among the first to know about new product announcements and upcoming industry trends from different segments of the parts manufacturing community.
